

other county is, Crossville and Menville (PH) or Crossville and Livingston. I don't know but I was like dude do your thing.

UC1 (Laughs)

GG I don't, eww.

UC1 Yeah.

GG If Abu Abdullah knew that I was doin' that, yeah.

UC1 How's he doin' by the way?

GG He is doin' so much better, alhamdulillah, but okay, so he went to work the other day and there's so much, so much fitna goin' on there late.

UC1 Yeah.

GG Between all the groups they're infighting and so he couldn't come home yesterday because they had all the roads blocked.

UC1 Oh my gosh.

GG Cause HTS wants to fight Zinke and Zinke (PH) oh my gosh and then, ohh I felt so bad. Like he literally told me today that he wants to go to Turkey. That his passport's expired and I said well you know our Prophet Mohammad (UI) (FL) said in a time of fitna stay in your homes.

UC1 Uh huh.

GG Go to the mountains.

UC1 Uh huh.

GG The one whose sittin's better than the one whose standing etcetera, etcetera so during this time because also there's a hadith that says when two brothers come.

UC1 Uh huh.

GG And fight each other with a sword, both of them end up in hell because they're brothers.

UC1 Yeah.

GG I mean, so and I told him, I said you know you-you wanna do this and this and this and I understand that you don't wanna leave because you don't wanna be punished but I mean you, right now it's not, it's not that it's not safe. Well it is unsafe but-

UC1 Yeah.

GG But you don't wanna risk something and end up goin' to hell, you don't wanna do that.

UC1 Does um, well his passport's expired so he can't cross into Turkey.

GG And Turkey's not taking any Syrians either.

UC1 Oh, well didn't you say though that he had like some friends that he went to school with who were in Turkey.

GG They're, they are in Syria.

UC1 Oh they're in Syria.

GG And one of them.

UC1 Oh.

GG One of them is actually in the Turkish territory, um, with the F-
FSA, I get all these groups confused.

(End Session 3)

(Session 4)

GG (UI) about Turkey so.

UC1 Oh okay.

GG And I've said you know what if you're able to go to Turkey I
would literally apply for a visa and I would go there because I
can still work there.

UC1 Yeah.

GG And pay my loans.

UC1 Ohh.

GG 'Cause that's the biggest issue-

UC1 That could be.

GG Because I mean-

UC1 Yeah.

GG They have Bank of America there.

UC1 Do they really?

GG I don't, I don't have Bank of America they do have the (UI)

UC1 You could get Bank of America (UI)
